

# Muskingum County Sheriff's Office

1840 East Pike  
Zanesville, OH 43701

## Year End Review 2019

### Mission Statement

The mission of the Muskingum County Sheriff's Office is to promote, preserve, and deliver a feeling of security, safety, and quality in services provided to all members of our community.

## A Letter from Our Sheriff

Greetings,

I would like to present to you our first End of the Year Annual Report. The 2019 Annual Report will serve as a year-end review of the services that we provide to our Muskingum County residents, employers, employees, and guests.

Over the last year we have purchased, installed, and began operation of a new records management system, Tyler Technologies. We are in the first full year of the Tyler Software, allowing us for the first time to easily pull stats for an annual review. This software allows our 5 village police departments to access our computer system, thus allowing all agencies in the county to better communicate with each other. This system also allows all units to access the state-wide LEADS program developed for law enforcement.

We have been very busy filling new positions in our office. Within the last two years, we have added new School Resource Officers to the John Glenn School District and the West Muskingum School District. We have also added a School Resource Officer to the National Road Elementary School, a Zanesville City School that is located in the county. Additionally, a deputy has been assigned to the Zane State College/Ohio University Zanesville Campus. We have also joined a second criminal task force and have assigned a deputy to work in this multi-jurisdictional unit.

The Commissioners have added a new security check point at the Common Pleas Court, where we have added two new deputies as well as a body scanner. They also have reduced all entrances down to one on the Main Street side of the courthouse for security purposes.

Our K-9 division continues to remain a valuable part of our office. We currently have four K-9's. All of the K-9 units are trained in article detection, locating missing persons, tracking suspects, and suspect apprehension. Dep. Dustin Prouty and K-9 Jango, Dep. Shawn Williams and K-9 Crit, Dep. Jeremy Archer and K-9 Narco are all trained in narcotic detection as well. Dep. Josh Whiteman and K-9 Panzer are trained in explosives detection. This division has proven vital in assisting in investigations.

## Continued - A Letter from Our Sheriff

The K-9's have also been utilized as a public relations tool as we do K-9 rides to school. The rides are donated to charities around the county and the proceeds for purchasing the rides go back to the charities. This has proved to be an effective tool in building relationships between kids and our deputies.

As I stated way back in 2009 as I took over as Sheriff, we continue to make the drug problem one of our top priorities. We continue to battle the heroin and opioid issues that impact so many families and communities. Our first responders continue to respond to overdoses and have saved many lives by carrying NARCAN. However, we continue to get these calls and are not seeing much of a decline. We will continue to support the courts and addiction service providers to help those that we can. Our combined drug unit with the Zanesville Police Department and in conjunction with our Central Ohio Drug Enforcement Task Force will continue to take drugs off the streets and put drug dealers in jail.

In closing, I am still working with the Commissioners in an attempt to build a new jail. This is something that is greatly needed in our county. It is a long process and there are a lot of factors to consider; including the type of jail, capacity, and location. I will not give up on this project.

I want to thank all of you for your support over the last 11 years. I look forward to serving you and our community in the coming years.

Sincerely,

Sheriff Matt Lutz

## K-9 Panzer

### Handler - Deputy Josh Whiteman

2019 was a good year for Deputy Whiteman and K-9 Panzer. They had the opportunity to assist the Zanesville Police Department, Belmont County Sheriff's Office, and the Wheeling Police Department (Wheeling, West Virginia) with explosives related issues. They also assisted the Ohio State Highway Patrol, Coshocton County Sheriff's Office, and Somerset Police Department with patrol related issues. They also worked with the United States Secret Service to assist with security and explosive sweeps prior to President Donald Trump's visit to Wheeling, West Virginia.

Deputy Whiteman and K-9 Panzer assisted our Sheriff's Office with 13 criminal apprehensions as a result of warrant services, area searches, building searches, and trackings.

Deputies Whiteman and Panzer were able to log over 130 hours of training for the year to help keep current for their job performance.

They also had the opportunity to give 25 Muskingum County students rides to school as a result of the Sheriff's Office's K-9 Ride to School Program. They completed various demonstrations throughout the Muskingum County throughout the year.

---

## K-9 Jango

### Handler - Deputy Dustin Prouty

K-9 Jango was used in an excess of 65 times in 2019. He had 27 recorded apprehensions. Of those 27, 9 were fleeing suspects where Jango was deployed to track down and apprehend the suspects. Those 9 deployments originated through our agency, Ohio State Highway Patrol, and Zanesville Police Department. He sniffed 27 vehicles for illegal narcotics.

Total illegal items located in vehicles 1 stolen fire-arm, 7 grams of cocaine, 3 grams of fentanyl, 15 grams of heroin, 53 grams of crystal methamphetamine, and 2,261 grams of marijuana.

## K-9 Narco

### Handler - Deputy Jeremy Archer

K-9 Narco was used in excess of 60 times by the Sheriff's Office in 2019. He apprehended many suspects, including apprehension of suspects in a kidnapping, burglary in progress, a shooting, and a breaking and entering. These apprehensions included both fleeing suspects and suspects that Narco tracked and located.

He sniffed more than 25 vehicles where various drugs were seized. Multiple firearms were also seized as a result of the drug searches.

Narco worked along with the Sheriff's Office's Special Response Team throughout the year where he assisted with the service of high risk search warrants by clearing and securing residences for the team.

---

## K-9 Crit

### Handler - Deputy Shawn Williams

In 2019 Crit worked the streets on dayshift with his handler, Deputy Shawn Williams. He had 16 apprehensions and sniffed over 65 vehicles for illegal narcotics. Crit assisted in serving warrants on routine patrol and high risk warrants with the Muskingum County Special Response Team. Crit was used to clear residences and buildings during the execution of these warrants. Crit also cleared buildings on regular patrol and was used in tracking and area searches for suspects.

Crit logged 160 hours of training during the year. Crit assisted local school districts in doing random vehicle and school sniffs for illegal narcotics. Crit assisted in the K-9 Ride to School Program, taking students to school and performing demos for the public. Crit thanks you for all the love and support helping make it possible to be a part of the Muskingum County Sheriff's Office.

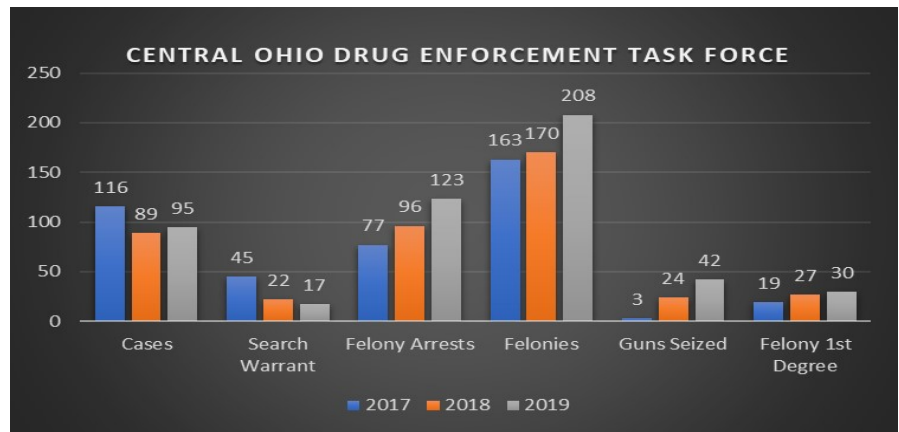

## Activity Progression 01/22/2020 Vol. 1

### Central Ohio Drug Enforcement Task Force

The CODETF consists of 5 law enforcement and support personnel from Muskingum County Sheriff's Office, Zanesville Police Department, and the Ohio National Guard, Counterdrug Unit. CODETF works closely with Zanesville Special Investigation Unit (SIU), Adult Parole, and Perry County in drug related cases covering 673 square miles with a population of 86,149 citizens.

The combined investigations in 2019 resulted in 208 Felony level charges with 5 Major Drug Offender (MDO) charges. As a result of the Drug Unit efforts, the following are outcomes of hard work into preparation, patience and perseverance of the cases that are proactively pursued from all detectives.

The Muskingum County CODE Task Force assists in criminal procedures with Coshocton, Guernsey, Knox, Licking, and Perry County in various tasks for maximum effort with manpower availability.

### DRUG UNIT CONVICTIONS AND SENTENCING 2015 TO PRESENT

Since 2015, the Muskingum County/Zanesville City Joint Drug Unit, along with the Muskingum County Prosecutor's Office, have amassed the following statistics as it pertains to conviction numbers and sentencings as a result of the above cases. These numbers are a direct result of a get-tough stance on large level drug traffickers in an attempt to make their presence in our community not worth the risk of incarceration. This is in hopes that the individuals that traffic this poison on our streets seek another community not within the confines of Muskingum County to sell their poison.

30 - Major Drug Offenders

41 - Felonies of the 1<sup>st</sup> Degree

437- Felony convictions

1098 years of incarceration for average of 17 years of incarceration per 1 month of drug unit work.

## Detective Bureau

The Detective Bureau is supervised by Detective Captain Steve Welker and Detective Sergeant Fred Curry. The Detective Bureau is staffed with six general case detectives handling multiple cases at a time, along with a detective evidence technician and two narcotic detectives.

## Detective

Homicide Statistics Revised 1/23/2020

## Community Service

Our office is very active in community service for the residents of Muskingum County. On any given weekend or weeknight you could see the Sheriff or employees doing the following:

- Auctioneer for fundraisers
- Crime prevention tips
- K-9 Ride to School
- Kid ID prints
- Neighborhood watch meetings
- Participate in parades
- Safety Town
- Security assessments of local business and churches
- Shop with a Cop
- In 2019, we conducted 949 vacation house checks and 9971 village, business and neighbor routines.

If you would like the Sheriff or a member of the office to assist you with one of these functions, please email [info@ohiomuskingumsheriff.org](mailto:info@ohiomuskingumsheriff.org)

## Communications

The Communications Division, also known as "Dispatch" is truly the heart of the Sheriff's Office. The Sheriff's Office has 10 full-time dispatchers that work 8-hour shifts. The communication center is staffed 24 hours a day, 365 days a year and is supervised by Rick Creeks.

Dispatchers field calls from four main stations, seven telephone lines: three county emergency numbers and four 911 lines. They also dispatch agencies on two main primary channels.

Dispatchers are responsible for dispatching the Sheriff's Office, along with five Village Police Departments, and 15 Fire and Squad Departments.

Communication Officers are also responsible for monitoring and operating LEADS (Law Enforcement Automated Data System). This allows dispatchers to check vehicle registrations, driving statuses, missing persons and property, wanted individuals and allows them to enter all warrants immediately into the database.

Dispatchers are also responsible for updating the news media, website, and social media should the county be under a Snow Emergency. They are also responsible for the county-wide tornado system alerts.

They monitor cameras around the Administration and Evidence Buildings to provide extra security. They are watching cameras for any unusual vehicles or people around the outside of these buildings.

In 2019 Dispatchers dispatched Deputy Sheriffs, Village Patrol Officers, and County Fire and Squad Department members to over 58,000 calls in the county.

## Courthouse Security

In 2019, the Muskingum County Court House increased deputy security to a total of three deputies. The deputies are Deputy Jim Paxton, Deputy JR Hanning, and Deputy Ed Pitcock.

These three are responsible for the security of the building and the safety of those inside. Deputies screen people and property coming into the court house, using an x-ray machine and magnetometer.

Deputies patrol the building and are called to courtrooms whenever there is a disturbance. Deputies monitor cameras, fire alarms, panic alarms, and assist the public in locating the correct department inside the courthouse.

---

## Evidence Room

The evidence room section is responsible for all property and evidence that our deputies take control and/or have custody of. Our office has two property room clerks that are dedicated to maintaining, controlling, disposing, and releasing property and evidence.

In 2019 our property room staff received 6,435 items and disposed/released 1,891 items.

## County Vehicle Impound

The county has one clerk that is responsible for the county impound. This clerk is responsible for tow bills, lot storage fees, releasing of vehicles back to the registered owner, and getting unclaimed vehicles ready for the county auction.

In 2019 there were 847 vehicles impounded into the county's lot.

## Human Resources

This section is responsible for the process and maintaining personnel files and payroll duties as well as pay to stay for jail inmates.

Throughout the year, because of promoting one corporal, sergeant, school resource officer, CODE traffic enforcement officer, and two courthouse security deputies, the human resource office also hired seven corrections officers and added nine deputy sheriff's combined to the jail and road patrol.

## Sex Offender Registry

The Sheriff's Office Sex Offender Registration & Notification (SORN) Officer is Detective Brad Shawger. Detective Shawger's primary responsibility is protecting the citizens of Muskingum County from those who have been convicted of a sexual offense. Once convicted, the offender must report to the Sheriff's Office to be registered as a sex offender. The SORN Officer checks the offender's address to make sure it is not close to schools, day care centers, or child care facilities. Community notifications are sent out to neighborhoods where the sex offender lives, and offender information is constantly updated on the Sheriff's Office website.

The SORN Officer and road deputies make home visits to confirm the addresses and to make sure there are not any violations of law at these addresses. In 2019, sex offenders were checked 743 times to verify their addresses were correct. The Sheriff's Office currently monitors 144 sex offenders in Muskingum County.

The SORN Officer is also responsible for registering offenders of arson, and the office currently monitor four individuals convicted of arson.

If you would like to be notified when a sex offender moves within one mile of a location, you can sign up for these notifications at the web address below:

<http://www.icrimewatch.net/register.php?AgencyID=55167>

## Civil and Criminal Process

## Corrections Division

The Muskingum County Sheriff Matthew J. Lutz and the corrections division staff are committed to providing a safe and secure place of detention in an environment that will ensure the safety of the public. The corrections division strives to operate in accordance to guidelines set forth by the United States Constitution, Ohio Revised Code, Bureau of Adult Detention Standards, and applicable court decisions.

Sheriff Lutz and the corrections division staff are governed by responsibilities to the judicial system, Muskingum County communities, and the inmates remanded to the Sheriff's custody.

The operational policy practiced within the Corrections Division is Strategic Inmate Management. This promotes the principles of direct corrections officer-to-inmate interaction. This has proven to be an effective approach to inmate supervision; with results being a safer, more humane environment for both inmates and staff. Strategic Inmate Management principles include:

- Assessing the risk and need each inmate presents to develop strategies to more effectively manage their behavior.
- Completing thorough individual inmate assessments to make informed housing decisions and classify inmates to facilitate behavior management.
- Provides services to avoid behavior problems that can result from basic inmate needs.
- Defining and conveying expectations for inmate behavior.
- Supervising inmates to ensure inmate behavior meets the Sheriff's expectations.
- Keeping inmates occupied with productive activities.

Security procedures must exist to ensure effective and efficient operations. Since most inmates will be returning to the community, opportunities for developing the skills necessary for self-sufficiency are provided through social, psychological, educational, and spiritual programs.

Staff assigned to the Muskingum County corrections division receive specialized training in crisis intervention, Strategic Inmate Management, interpersonal communications, First Aid, and cultural diversity.

### Four options to send money to an inmate:

1. Access Corrections App - Send an inmate money from a mobile phone
2. [www.accesscorrections.com](http://www.accesscorrections.com) - Easy online deposits
3. Kiosk - located in the lobby of the MCSO Jail. You can access MCSO Jail from over 800+ kiosk locations
4. (866) 345-1884 - Speak with a live agent

## Corrections Visitation

IC Solutions: IC Solutions offers "The Visitor" visitation system. "The Visitor" provides friends, family and professionals the control to schedule and conduct a visit at a time convenient for them and avoid wasting time waiting in long lines or traveling to the facility. We offer two types of visitations, *ONSITE*, *OFFSITE*.

*ONSITE* visitation is conducted using the video terminals provided in the lobby of the Muskingum County Jail. You will simply create an account at [www.icsolutions.com](http://www.icsolutions.com) and then schedule a visit AT NO COST. All onsite visits are conducted on Saturdays and Sundays.

*OFFSITE* visitation costs the visitor \$7.50 a call, and can be conducted from the visitor's computer or Android device. Off site visits are conducted every day of the week.

Each inmate is permitted one *ONSITE* and one *OFFSITE* visit per week. Once you schedule a visit, you will receive an email to confirm the visit with an access code that you will need to access the visit.

## Rules for Visitation

- Visitors are permitted one *ONSITE* and one *OFFSITE* visit per week
- Visitors must be 18 years old or accompanied by a parent or legal guardian, proof of guardianship is required **AND** have one of the following forms of identification at each visit:
  - Valid driver's license
  - Government issued ID with picture, i.e.: Passport or Active Military ID
  - Valid temporary driver's license
  - Valid Ohio I.D. card issued by the Ohio BMV
  - Food stamp ID cards or broken ID cards will **NOT** be accepted. No exceptions.
- Victims may not visit the suspect in their case
- Any exceptions must be approved by the jail administrator.
- All visits will be 30 minutes in length
- A ten minute grace period is allowed. Any time beyond that grace period and the visit will be canceled.
- Contraband: cellular phones or other communication devices, intoxicants, drugs, weapons, parts of weapons, or ammunition of any type are prohibited in the visitation area. **Conveyance of such items will result in criminal prosecution under Ohio Revised Code 2921.36**

## Inmate Registry

Inmate booking registry link is on the MCSO website.
